# GOALS.

## ACADEMIC SUCCESS

### BRAINJOGGING

A technology-based academic support program customized to each kids' learning needs where kids learn skills to improve memory and retention abilities, build perceptual and processing abilities, and increase attention levels. Participation in this program results in a dramatic decrease in the amount of tutoring, studying, and/or homework time with improved skills and supports overall academic growth for each student.

### KINDERKARES (LAKE CITY ONLY)

A teacher directed program where staff work with K-1 members in ELA and math. Teachers provide staff with worksheets, site words, reading lessons, and math.

### ROOKIE READERS

A reading program with K-2 members where staff read with members, and members are provided with a personal library to take home.

### KHAN ACADEMY (LAKE CITY ONLY)

A math and ELA technology program the LCES uses with grades 3-5. LCES teachers asked for BGC staff to run Khan Academy with members during program time.

### IREADY

An ELA and math technology program based upon grade level. Members do lessons online by logging into personal accounts. Program adapts to participants ability.

### POWER HOUR

A homework help and tutoring program that improves the rate of youth homework completion and supports student academic growth.

## HEALTHY LIFESTYLES

### SMART MOVES

A positive health promotion program which teaches youth critical social and emotional skills so they may make positive choices and reduce risky behaviors in the future. This program uses community volunteers in member instruction such as police/fire officers, pharmacists, etc.

### TRIPLE PLAY: A GAME PLAN FOR THE MIND, BODY, AND SOUL

**Triple Play (Mind):** Healthy Habits—a nutrition education program where youth learn how to make and prepare health snacks and meals, while learning about how to make nutritional choices to support a healthy lifestyle

**Triple Play (Body):** a physical activity program in the gym and ball fields keeping kids active and working

**Triple Play (Soul):** a social recreation program for youth to enjoy games with their peers while building positive social skills.

## GOOD CHARACTER AND CITIZENSHIP

### SERVICE LEARNING

Members perform activities such as sending cards to nursing homes, school campus clean up events, writing thank you notes to essential employees.

### YOUTH MENTORING

Mentoring program where staff build connections with members to discuss problems kids encounter on a daily basis such as bullying, family pressures, grades, and more.

## ARTS & CRAFTS

Participating in arts & crafts programming helps youth to practice a wide range of skills that are useful not only for life, but also for learning. In addition to helping youth develop important skills, free expression is also good for overall health and well-being.
